Lay Z Gordon

We at “Hamil” the Israeli management institute know of Lay Z Gordon for years.

Lay Z is an artist and a man of an extraordinary profession that involves several abilities, creativity, knowledge and experience.

All of which, in addition to his past of an excellent Basketball player (and different than the rest in his style) insure that the encounter with him will enhance the learning experience to be unique and not conventional

With much respect,
Dr. Mike Dovrat
Director of “Hamil”
The Israeli management Institute.
