Recommendation: "Success for life" by Mr. Eliza "Lay Z" Gordon

- 1) The "success for life" lecture took place on March 29th 2007, Emphasizing physical exercise, music and media communications With Mr. lay Z Gordon.
- 2) Target of session: individual intensification methodology for: 200 officers, commanders, and with my presence.
- 3) The session/performance was entertaining, educational, and very inspiring to the attendants.
- 4) Mr. Lay Z Gordon received praises and candid participation for his charismatic approach. The experience created a better team unity, and cooperative attitude among everybody present.
- 5) The length of the session was over 2 hours, and with out a doubt, we will enlarge and adopt future activities for the whole year.
- 6) I feel totally whole to recommend this experience to a larger crowd.
- 7) With complements
